Co2 Emission Story

| | | | | | | | | |
|--------------------------------------|----------------------------------|--------------------------------------|--------------------------------------|------------------------------------|------------------------------------|-------------------------------------|------------------------------------|------------------------------------|
| Total Co2 Emission from 1975 to 2020 | Total Co2 emission by continents | Co2 Emission Due to Internal Reasons | Co2 Emission Due to External Reasons | Continents Contribution due to C.. | Continents Contribution due to C.. | Continents contribution due to FL.. | Continents contribution due to O.. | Continents contribution due to G.. |
|--------------------------------------|----------------------------------|--------------------------------------|--------------------------------------|------------------------------------|------------------------------------|-------------------------------------|------------------------------------|------------------------------------|

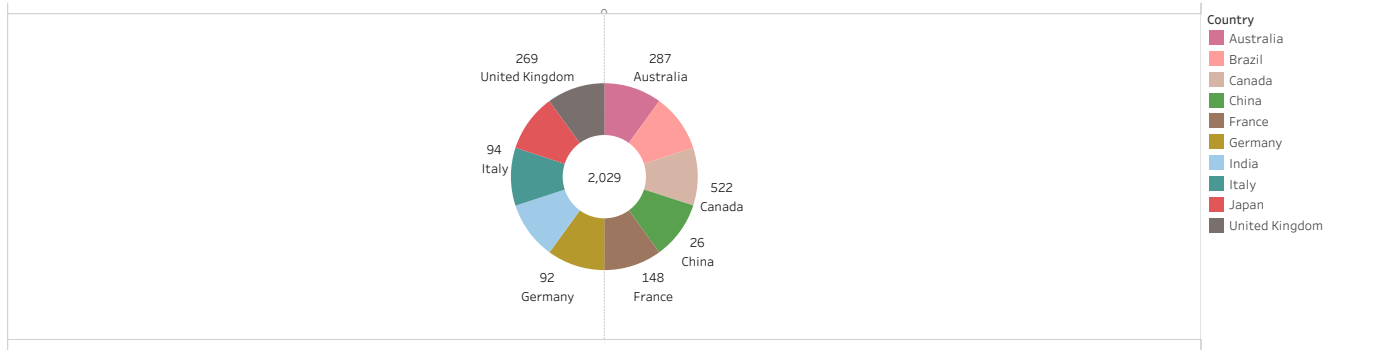

Co2 Emission Story

| | | | | | | | | |
|-------------------------------------|---|---|---------------------------------------|---------------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|
| Total Co2 emission by continents | Co2 Emission Due to Internal Reasons | Co2 Emission Due to External Reasons | Continents Contribution due to C.. | Continents Contribution due to C.. | Continents contribution due to Fl.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years |
|-------------------------------------|---|---|---------------------------------------|---------------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|

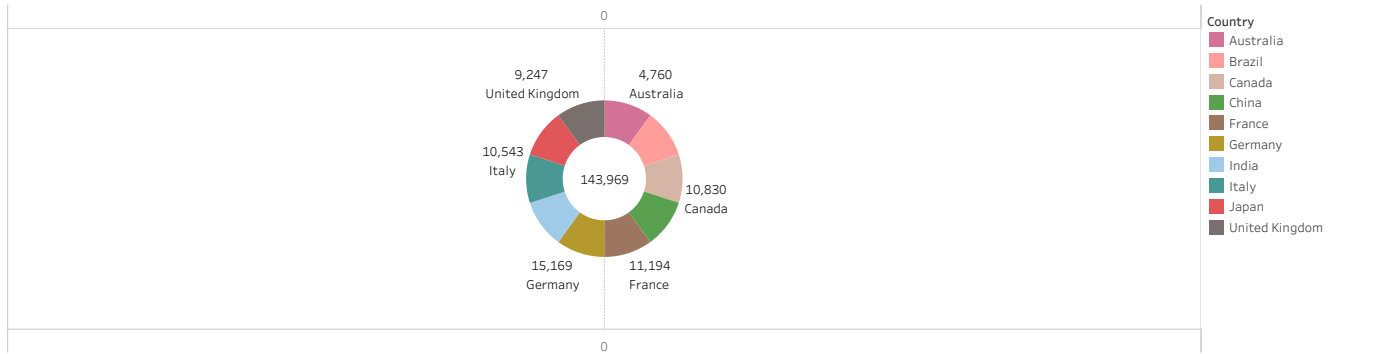

Co2 Emission Story

| | | | | | | | | |
|--------------------------------------|--------------------------------------|------------------------------------|------------------------------------|-------------------------------------|------------------------------------|------------------------------------|---------------------------------|--------------------------------------|
| Co2 Emission Due to Internal Reasons | Co2 Emission Due to External Reasons | Continents Contribution due to C.. | Continents Contribution due to C.. | Continents contribution due to FL.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years | Co2 Emission India vs United Kingdom |
|--------------------------------------|--------------------------------------|------------------------------------|------------------------------------|-------------------------------------|------------------------------------|------------------------------------|---------------------------------|--------------------------------------|

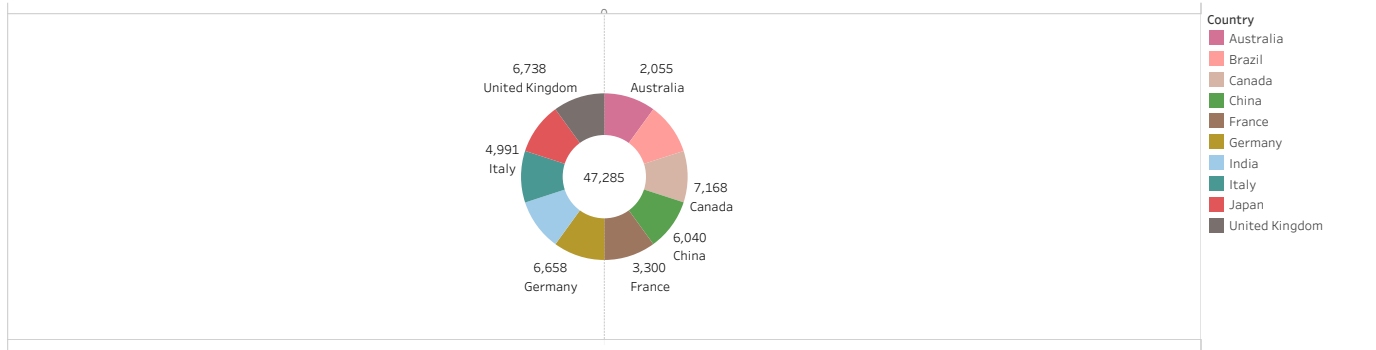

Co2 Emission Story

| | | | | | | | | |
|--------------------------------------|------------------------------------|------------------------------------|-------------------------------------|------------------------------------|------------------------------------|---------------------------------|--------------------------------------|---|
| Co2 Emission Due to External Reaso.. | Continents Contribution due to C.. | Continents Contribution due to C.. | Continents contribution due to FL.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years | Co2 Emission India vs United Kingdom | Overall Contribution by India nad China in .. |
|--------------------------------------|------------------------------------|------------------------------------|-------------------------------------|------------------------------------|------------------------------------|---------------------------------|--------------------------------------|---|

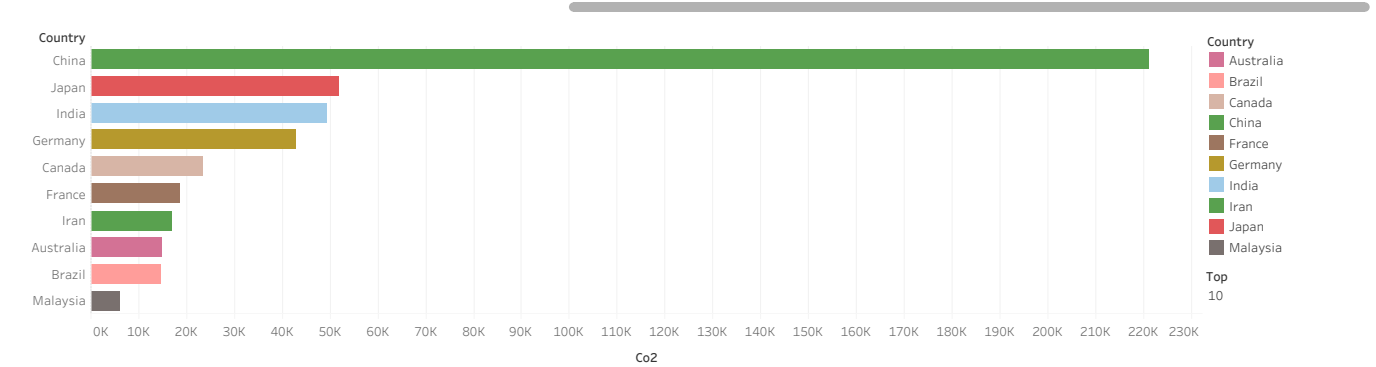

Co2 Emission Story

| Continents Contribution due t.. | Continents Contribution due to C.. | Continents contribution due to Fl.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years | Co2 Emission India vs United Kingdom | Overall Contribution by India nad China in .. | Cummulative Co2 vs Co2 per capita over y.. |
|------------------------------------|---------------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|
|------------------------------------|---------------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|

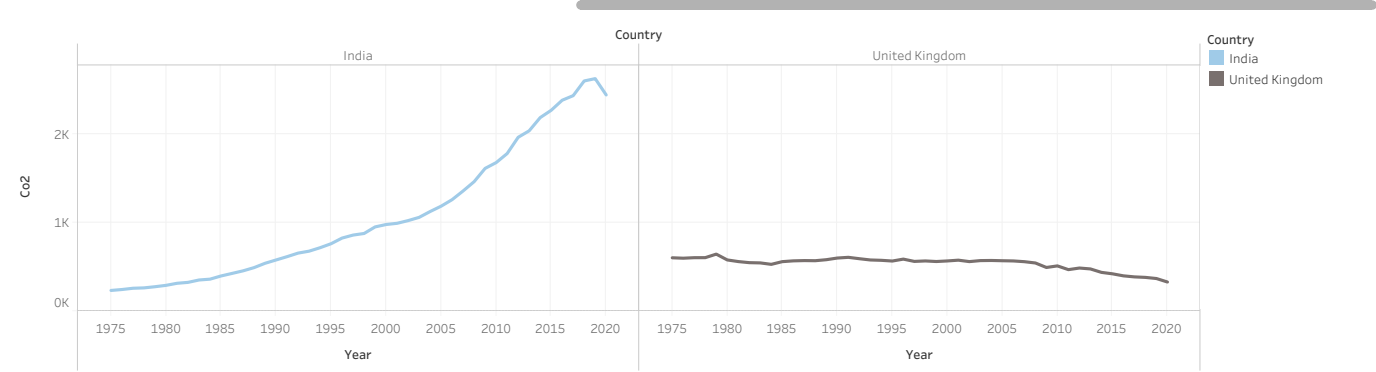

Co2 Emission Story

| | | | | | | | | |
|------------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|
| Continents Contribution due t.. | Continents contribution due to FL.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years | Co2 Emission India vs United Kingdom | Overall Contribution by India nad China in .. | Cummulative Co2 vs Co2 per capita over y.. | Co2 Emission in 2020 |
|------------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|

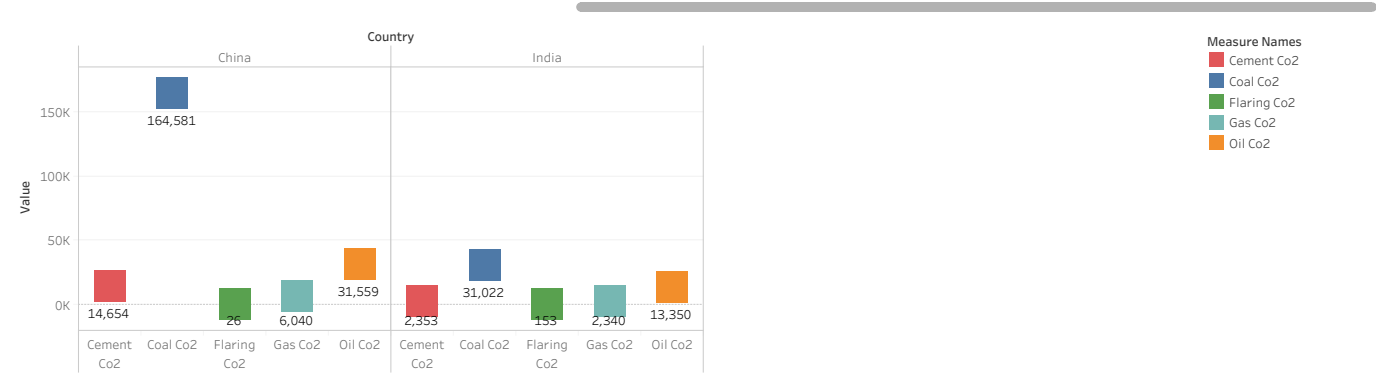

Co2 Emission Story

| | | | | | | | | |
|---------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|
| Continents Contribution du.. | Continents contribution due to FI.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years | Co2 Emission India vs United Kingdom | Overall Contribution by India nad China in .. | Cummulative Co2 vs Co2 per capita over y.. | Co2 Emission in 2020 |
|---------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|

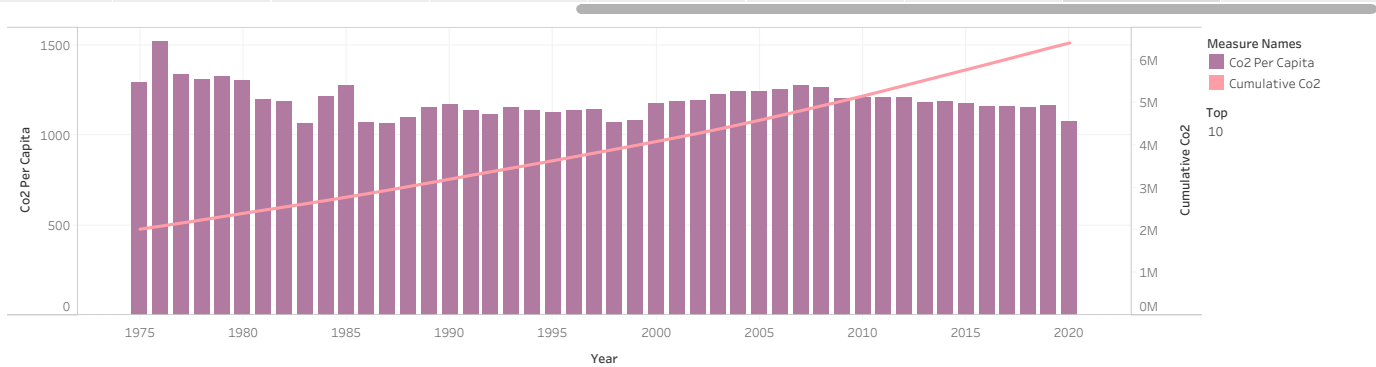

Co2 Emission Story

| | | | | | | | | |
|---------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|
| Continents Contribution du.. | Continents contribution due to FI.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years | Co2 Emission India vs United Kingdom | Overall Contribution by India nad China in .. | Cummulative Co2 vs Co2 per capita over y.. | Co2 Emission in 2020 |
|---------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|

Co2 Emission Story

| | | | | | | | | |
|---------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|
| Continents Contribution du.. | Continents contribution due to FI.. | Continents contribution due to O.. | Continents contribution due to G.. | Co2 Emission over past 10 Years | Co2 Emission India vs United Kingdom | Overall Contribution by India nad China in .. | Cummulative Co2 vs Co2 per capita over y.. | Co2 Emission in 2020 |
|---------------------------------|--|---------------------------------------|---------------------------------------|------------------------------------|---|--|---|----------------------|

Co2 Emission Story
